BILLHÖFER Maschinenfabrik GmbH

Dear Ladies and Gentlemen,

we have the pleasure to inform you that we exclusively acquired, from the previous owner of the VVIKO Holding GmbH of the Vugman family, the protected trademark BILLHÖFER, all the customer data, all the documentation, all the intellectual property rights, all the copyrighted proprietary and usage rights, all the general protection rights regarding product developments including all the detailed assembly and design drawings together with the control software for the laminating machines of the model series EK and FK.

We dispose of a huge deposit stock of spare parts of original BILLHÖFER parts for all BILLHÖFER laminating and coating machines.

From our location in Austria, we serve 1.521 BILLHÖFER customers in 85 countries around the world.

We look forward to a good cooperation and wish you and your family a good start in the New Year!

Kind regards

Erwin Teller, Managing Director
